Effective Teaching, Learning & Assessment to Support Progress in Reception

Meet the latest EYFS Ofsted expectations, prepare for the new baseline and support progress ready for transition into KS1

Reception in your school is facing more pressure than ever before:

- A new baseline assessment
- A separate Ofsted EYFS judgement
- Increased expectations for high rates of progress

Are you confident that teaching, learning and assessment are being used effectively to support progress in your Reception classrooms? Could your current practice stand up to scrutiny from Ofsted?

Optimus Education's 3rd annual **Effective Teaching, Learning & Assessment to Support Progress in Reception conference** is the definitive event of the year to ensure that early years provision in your school is of the highest quality and that all children make good progress.

Our Ofsted expert will deliver a vital update on **what Good and Outstanding teaching, learning and progress now look like** in Reception and how to ensure your school is prepared for the **new separate EYFS judgement**.

Plus, attend to gain an **essential update on the new baseline assessment**. Take this opportunity to not only hear about how the new baseline will impact your school but also **speak to the piloting providers** at our lunchtime 'Baseline Market Place'.

Other key learning objectives on the day include:

- **Transition:** Ensure children are supported effectively through periods of transition – including focuses on transition into Reception and into Year 1
- **Moderation:** Gain confidence when making 'best fit' judgements within the EYFS Profile including what 'Expected' and 'Exceeding' look like
- **Child-initiated learning:** Successfully achieve the balance between child-initiated and adult-led learning and ensure high-quality interactions within your classrooms

Remember: As a delegate you will be given access to download speakers' presentations after the event to lead whole-school training back at your school.

Please take a moment to look through the programme on the opposite page and complete and return the final page to secure your place. We look forward to welcoming you in March.
