# Early Years Pupil Premium

**The latest research shows that there is a 19 month gap in 'school readiness' between your most and least advantaged children\*.**

With the introduction of the Early Years Pupil Premium in April, you are going to be rigorously held to account for closing this gap.

- Do you know what initiatives have been proven to **close the gap** with young children?
- Do you have in place the mechanisms to **plan your budget, track funding and monitor progress**?
- Do you feel confident you will be ready to **evidence impact** at inspection?

Optimus Education's inaugural **Early Years Pupil Premium: Closing the Gap & Evidencing Impact** conference will provide you with practical, high-impact strategies to successfully utilise your funding, support child development and effectively evidence impact to Ofsted.

## Key topics to be addressed include:

**Ofsted:** Clarify how the EY Pupil Premium will be inspected, what evidence of impact will be expected and what Outstanding provision looks like

**Expenditure:** Gain practical evidence-based strategies proven to support child development and close the gap in early years settings

**Impact:** Know how to measure and evidence impact to successfully report to Ofsted and other key stakeholders that you are closing the gap

Please take a moment to look through the programme on the opposite page and use the booking form on the back to secure your place.

We look forward to welcoming you in June.

Best wishes,

**The Optimus Education Team**
