

Challenge & Differentiation in the Classroom

A series of interactive and practical twilight training sessions – free for Optimus Education members!

27th September 2016 – Manchester

5th October 2016 – Grimsby

18th October 2016 – London

09:30 – 10:00	Registration and networking – meet fellow schools and discuss common, local challenges surrounding differentiation and challenge
10:00 – 10:45 Session 1	What really works in the classroom: take away a bank of strategies and resources for effective challenge and meaningful differentiation
10:45 – 11:30 Session 2	Time-saving differentiation: practical strategies and ways to share with all staff on how to differentiate without extensive planning
11:30 – 12:00	Light refreshments and networking – build your support network and share what has been working well in your school
12:00 – 12:45 Session 3	Teaching to the top: proven ways to stretch and challenge all learners in the classroom and support high aspirations for all
12:45 – 13:30	Lunch and networking
13:30 – 14:15 Session 4	Ensuring consistency across your whole school: how to develop a professional learning strategy to improve the quality of challenge and differentiation in every classroom
14:15 – 15:00 Session 5	Building challenge into your curriculum: learn how to develop a challenging curriculum which promotes enquiry and mastery
15:00	Close of session
