 **ISBL**
Institute of School Business Leadership
Approved Partner

‘Four out of five schools will be worse off next year than they were in 2015’, National Education Union

Rising staffing costs and a legacy of budgetary cuts mean schools are under pressure to maximise resources and generate extra income.

This event will provide a complete review of school finance, helping you stay compliant and gain the latest strategies to plan and manage resources in a changing climate. Network and benchmark data with other financial professionals while gaining new ideas for establishing profitable business partnerships.

FINANCIAL MANAGEMENT

New ideas for getting the most from your budgets

STAFFING

Innovative low-cost strategies to recruit, retain and manage quality staff. Advice from Browne Jacobson LLP HR department

INCOME GENERATION

Practical tools to engage businesses, realise savings, write successful bids and fundraise

Benefit from the latest updates and best-practice for governors, heads and financial professionals

BOOK TODAY

oego.co/Financial_Management
