## NARROW THE ACHIEVEMENT GAP

Ensure the impact of interventions  
and classroom teaching

## LESSONS FROM BLENDED LEARNING

Review what's worked and  
implications for education in the  
future

## CHALLENGE AND ENGAGEMENT

Foster critical thinking, resilience  
and independence

Ensuring quality of education has never been more important. With the Covid-19 pandemic resulting in disrupted learning and an increasing model of blended teaching, how can you be sure your curriculum is rich and ambitious, driving achievement for all?

This conference will provide practical strategies to evidence quality of education, improve marking and feedback and ensure the impact of your interventions. Build diversity across your curriculum, evaluate teaching and learning provision and work to narrow the achievement gap. Join the live afternoon digital modules to benefit from primary and secondary network and focus groups and gain access to a full set of recordings.

### **NARROW THE ACHIEVEMENT GAP:**

Explore key actions to ensure your interventions have impact and benefit from the latest research to narrow the achievement gap

### **CRITICAL THINKING AND METACOGNITION:**

Gain new strategies for developing pupils' confidence, curiosity and resilience as independent learners

### **CHALLENGE, MASTERY AND ENGAGEMENT:**

Foster resilience and ambition through high quality teaching and learning framed in a diverse curriculum that prepares young people for their future
