

Multi-academy trusts: success and sustainability

From due diligence and growing your trust to governance and quality insurance, use these resources to ensure strong leadership and school improvement across your MAT.

Rate your skills

Use the [CEO](#) and [executive head skills audits](#) to rate your skills and attributes and identify areas for development.

Get governance right

Read the [case studies from CEOs and trustees](#) for advice on building, growing and adapting a great trust board.

Safeguard pupils

Put trust-wide safeguarding procedures in place with our [five-step approach to safeguarding](#) across a MAT.

Manage your time

Watch our webinar on [Stress reduction for new senior leaders](#) and gain tips for achieving and maintaining a healthy work-life balance.

Learn from others

Share best practice and discuss [challenges and experience](#) of MAT leadership with your peers.

Manage risk

Download the [due diligence checklist](#) when expanding your MAT, covering areas including educational performance, finance and compliance.

Ensure consistency

Planning QA processes? Download the [QA schedule template](#) to implement a common approach to quality assurance in your MAT.

Retain your best staff

[Read the case study](#) on how a MAT has developed a successful and sustainable workforce.

Grow wisely

Get advice and tips from CEOs on creating a business plan and achieving economies of scale [to grow your MAT](#).

Network with peers

Our two-day [MATs summit event](#) is back this October. Register your interest now!
