Handout 1.3: Survey for collecting baseline data on the impact of this training course

How can you collect some baseline data in order to provide evidence of the impact of this training course?

At this stage of the training course (Unit 1), I think that research...

- competes with _____
- engages pupils
- is not an approach I would use

- provokes new ideas
- is too time-consuming
- is intriguing

- is a waste of time
- is good for staff _____
- does not interest me
