

# Teacher Development Programme

A toolbox of essential training and techniques covering core skills and encouraging deeper understanding of practice

## Aims and outcomes

- Equip new teachers and developing teachers with a toolbox of techniques for improved practice.
- Ensure that all colleagues are prepared to encourage appropriate levels of challenge and engagement for all pupils.
- Gain practical techniques for supporting learners to learn effectively.
- Take away new strategies and advice for meeting the Ofsted criteria for quality of teaching, learning and assessment.

## Making the most of this course

1. Complete the core content units over one to two terms to drive sustainable improvements.  
*OR*  
Select individual units to target a specific issue – perfect for new teachers or returning teachers in need of a refresher.
2. Make use of the associated reading and resources to supplement and deepen your learning.
3. Ensure participants document their progress after units and reflect in later input sessions.

## Suggested participants

- Newly qualified teachers.
- Teachers 2-3 years qualified.
- Teachers looking to improve their practice in any particular area of expertise.
